

Year 2 Activity Grid

This grid contains additional activities to support your child's learning for a two week block. An activity can be chosen off here each day to supplement the literacy, numeracy and specialist/topic activities. Please initial and date the box when an activity is completed.

<p>Create a Front Cover Design a front cover for your home learning book. You might like to cover the book in wallpaper or decorate it with stickers. You can make it personal to you. Don't forget your name!</p>	<p>Word List Game How many different words can you make from the letters in the sentence below. Grab a pencil and make a list in your home learning book. The sentence is Learning from home is fun</p>
<p>Physical – Dance Make up a dance routine to your favourite song. Don't forget to film and send it to your teacher!</p>	<p>Computing Using the skills you have recently learnt in ICT with Mr Carr, create a Powerpoint presentation all about you. This could include your likes and dislikes, family, hobbies and friends.</p>
<p>Construction Can you build a London landmark out of anything you choose? This could be a Lego model, junk model, Knex, a tower of playing cards or anything else creative you can think of.</p>	<p>Nature Diary Look out of your window each day and keep a note of what you see. Birds, flowers, changes in the weather...what else? You could even draw a picture to illustrate each day.</p>
<p>Physical – Story telling yoga Fast-paced and fun kids yoga adventures. Episode 1 -Pirate adventure. https://www.youtube.com/watch?v=T_OP5grVoyg Episode 2 – London adventure https://www.youtube.com/watch?v=kN1_qchKPnA</p>	<p>Science investigation Investigate the effects of heat on different materials e.g. chocolate, egg, butter, water, ice cream, candle. Make predictions about whether you think the materials will change and be able to be changed back. What happens when you then freeze them?</p>
<p>Sketching Find a photograph or picture of a person, place or object and sketch it. Try to observe details carefully and only draw exactly what you see.</p>	<p>Shape Art Create a Fire of London picture using 2D shapes. Remember to label the shapes and think carefully about the colours you use.</p>
