

Imagine you are in the garden.  
What sounds can you hear?

If you listen very carefully, you may hear bees buzzing.

Bees visit flowers to collect pollen and nectar which they then take back to the hive.

Can you make a zzz sound like a bee  
and flap your wings?

Z z

**Action**

Pretend to be a bee, with  
elbows in, and hands  
flapping, saying  
zzzzzzzzzzzzzzzzzzzz.

This week's sound is z.

Can you think of any  
names or words which  
start with z?

Here are some clues  
for things that start  
with z. Can you guess  
what they are?
